

Divorce Care for Kids (DC4K) Is Coming to Calvary Lutheran Church and School

DC4K is a divorce support program for children 5 to 12 years old. It is Biblically based with an emphasis on Christ, life skills and healing from the harmful effects of divorce. The program will run weekly for 13 weeks after school at Calvary. There is no fee. Sessions last one and one-half hours each. Information will be provided via DVD's, games, stories, and CD's. Children will find strength through the program itself and also through networking with others who are going through the same struggle. The program will begin on Thursday, April 19, 2010 and Jan Meiners is the facilitator. Laura Currier and Jane Weeks are SafeKeepers.

Please indicate your interest below and return to the church or school office, or meiners@thecalvaryschool.org Thank you.
